

We use a lot of water here at BLS...

...but what's our water use like?

**Water sources at
BLS include:**

-Ground Floor:

- 6 bathrooms with a total of 17 toilets and 13 sinks
- 10 water fountains

-First Floor:

- 9 bathrooms with a total of 15 toilets and 13 sinks
- 8 water fountains

-Second Floor:

- 7 bathrooms with a total of 15 toilets and 11 sinks
- 8 water fountains

-Third Floor:

- 7 bathrooms with a total of 15 toilets and 11 sinks
- 8 water fountains
- Lab rooms with 38 sinks

-Music and Art Wings:

- 2 bathrooms with a total of 2 toilets and 2 sinks
- 4 Art rooms, 3 sinks each

-Kitchen & Miscellaneous:

- 6 water fountains
- 12 sinks (incl. closets)
- 4 water spigots outside

**Boston Latin School is
having a Water Audit!**

**With this audit, YouthCAN
can identify where water is
being wasted in the school and
use that information to make
BLS a more efficient place!**

The Quabbin Reservoir, a major source
